

INFORMED CONSENT FOR MESOTHERAPY

Treatment Description

I understand that I am receiving mesotherapy, which involves small injections of a selected solution into or beneath the skin in the area discussed with my provider.

The purpose and expected benefit of my treatment have been explained to me. I understand that more than one treatment may be needed and results cannot be guaranteed.

Expected Reactions and Possible Risks

I understand that normal reactions may include redness, swelling, tenderness, burning, itching, bruising, mild bleeding, temporary bumps, firmness, or numbness.

I understand that potential risks may include:

- Infection or allergic reaction
- Changes in skin color, lumps, or unevenness
- Skin injury, delayed healing, or scarring
- An unsatisfactory result or need for additional treatment
- Rare serious or unknown complications

Contraindications

I confirm that I do NOT have any of the following conditions unless disclosed to my provider:

- Pregnancy or breastfeeding
- Allergy to any treatment ingredient or local anesthetic
- Active infection, rash, or open wound in the treatment area
- Bleeding disorder or use of blood-thinning medication
- Autoimmune or immune-suppressing condition, uncontrolled diabetes, or poor healing
- Recent procedures in the area, serious medical conditions, or medications that may affect treatment

If any apply, I have informed my provider: _____

Pre- and Post-Treatment Instructions

I understand that:

- I must disclose all medications, allergies, and relevant health conditions.
- I must follow all preparation and aftercare instructions provided.
- I must contact my provider for severe pain, increasing redness or swelling, fever, drainage, skin color changes, or other concerning symptoms.

Consent and Acknowledgment

I certify that I have read and understand the information above. All of my questions have been answered to my satisfaction. I voluntarily consent to mesotherapy and understand the risks, benefits, and alternatives.
